WORKSHOPS AVAILABLE AT GPS

CHAFFEY COLLEGE ORIENTATION

Orientations instruct new and returning students on how to receive a prioritized registration date, and reviews student services available at Chaffey College (Disponible en Español).

VETERAN ORIENTATION

Veteran orientations instruct students on how to receive veteran benefits for veterans and/or their dependents, as well as student services available at Chaffey College (Available at Rancho Cucamonga and Chino locations only).

ASSESSMENT PREP WORKSHOPS

Learn how you can prepare for the English and Math assessment test. We will cover practice problems, study resources, and test taking strategies. Students will receive a study guide and other resources available to assist with their assessment.

SCHOLARSHIP WORKSHOPS

The scholarship workshop is designed to help inform students on where to find scholarships and the different types of scholarships that are available to them.

NEW STUDENT PLANNING

Learn how to navigate the New Student Planning tool to access your educational plan, change and update password, access Student email, and My ChaffeyView. Students can also access college calendar, Moodle, Library and News through the Chaffey Portal.
